Detailed Guide

Weekend Together

The Waterloo Road Church 'Weekend Together' is a biennial event which brings the whole church together for teaching and fun activities.

The weekend is designed to:

- Provide strong applicable teaching.
- Be a relaxed and enjoyable time.
- Give an opportunity for everyone in the church to spend time together.
- Allow the church to understand how it can act effectively as a body.
- Be applicable for the whole family.

You will find the number of things to sign-up for are at a minimum.

The weekend will be based at the church and transport to all the Saturday activities will be organised from there.

This booklet will act as your guide to the weekend and give you a flavour of each of the events.

CHILDREN

We have an exciting set of activities for everyone aged 11 and under. We are delighted to welcome one of our former Brunel Students Jess Welsby who now works as a children and youth worker living in Moulton. During the adult sessions over the weekend Jess will be running sessions full of fun, games and teaching. This is something not to be missed!

We also have a crèche for all children 3 and under during the teaching sessions.

There is no charge for the weekend.

The church will be paying for all the activities.

We would however, ask you to consider giving something to the church as a gift towards the weekend if you are able.

As a guide, the costs for the church will be:

Hounslow Urban Farm £4.50

Welcome to the Church Weekend Together

School Night at Waterloo Road Church

Our first evening together at the church weekend will remind you of your school days. The school canteen will be providing our evening meal. Wearing school uniform or your old school tie is not compulsory - although we're not stopping you.

This will be a great opportunity to spend time together and chat to Colin as the weekend begins.

The evening is expected to finish at around 9:30pm.

Colin Holmes

Colin was the first Pastor called by WRC (in 1996) so many people will already know him and his wife Ruth. If you don't please do introduce yourself over the weekend.

Are you a thermostat? Are you a thermometer? We are going to look at 1 Thessalonians 1 together over the weekend in four practical sessions.

We are really excited about the message Colin will bring. Make sure you give him a really warm Waterloo Road Church welcome.

Hounslow Urban Farm

Guaranteed to give you the Ahhhh factor, there's loads of animal fun at Hounslow Urban Farm. Meet the farmers, watch a pig race, feed the goats, and you may even get to hold some of the smaller animals. This is a particularly good afternoon for little people.

Savill Gardens, Windsor

Join us in the Saville gardens in Windsor Great Park. This is a beautiful garden with a wide range of plants across 35 acres. The garden includes woodland, ornamental areas and a pond. The spectacular rose garden should be in bloom in time for the weekend.
